

"City government is coming to your community."

Tuesday, November 11, 2014

**New Orleans East Hospital
(Conference Center)**

**5640 Read Boulevard
9:00 A.M - 11:00 A.M**

Topics featured at Coffee on Your Corner:

*The City of New Orleans
Economic Opportunity Initiative*

*City's Health Department
Updates on the "Marketplace" Healthcare Act*

Coffee on Your Corner is an information session during normal business hours responsive to residents who may be discouraged of attending public meetings outside of their communities and during evening hours. These forums give the community the opportunity to hear directly from city officials and representatives in an informal setting at local venues in their neighborhoods about city programs, initiatives and operations.

Please submit your questions in advance at neighborhoods@nola.gov
